Minutes Grand Strand Scale Modelers

Minutes: May 21st, 2022 - Grand Strand Scale Modelers

The club's monthly meeting was called to order at 11:00 AM with twelve members and one guest present.

- There was no Old Business to discuss.
- Moving on to New Business which included up to date information regarding BeachCon 22 taking place October 1st, 2022. 135 metal awards were ordered from Mission Awards for a total cost of \$605.75. Images were shown to the members. According to the rep from Mission Awards, these should be delivered on Monday 6th. Phil C gave the Income/Expense report for the show.
- Rick updated the members on award sponsors who have paid. Currently as of today we have five vendors committed and paid for a total of 11 out of 40 tables available.
- Earl has ordered the t-shirts to be worn during the show.
- SC Scale Model Mega Show will be held on June 18, 2022, at the SC NG Armory, Columbia, SC. Since this date coincided with our next scheduled meeting, it was decided to move the meeting date to June 25th.
- It was decided by the members that Aircraft, any scale, would be the next build. Completion date would be at the June meeting.
- Rick gave the treasurer's report.
- Next on the agenda was the "Show & Tell" portion with as always amazing subjects brought in and discussed. Pictures are available on the website under newsletter. Pictures were posted on Facebook and shared with IPMS Region 12 site. These also can be seen in the next newsletter.
- Finally on the agenda was the raffle. Proceeds from the raffle to be deposited.

Next show committee meeting to be announced later.

John Davis has graciously give the club a demo on making window netting.

Meeting adjourned at 1:30 PM.

Kit Review

Andrew brought in an oldie but goodie. Well, an oldie anyway. This is a Dual boxing rerelease of the Lindberg Stuka and Me 262 model kits. The 262 has metal guns.

Dayne also brought in a kit for review. IF you recall, last month Dayne brought in a "Kog-At", a kit designed by the folks at Zoukei-Muri. As a follow, from the same design team is a "V Siren Neptune". Looking forward tossing this one built as well.

Mike also brought in a Bomarc missile resin kit.

Show and Tell

Earl brought in a Revell 72 scale Avro Shackleton.

Rick brought in his 32nd scale Great Wall Hobbies P-40B Flying Tiger

Joe brought in his in progress M548A1 Cargo Carrier. If I remember correctly, Joe has experience with this vehicle.

Sean continues progress on his 72nd scale B-25 Mitchell bomber.

Dayne brought in a rather small Gundam

Phil S. Brought in a Tamiya 35th scale Jeep.

Mike also brought in a cool diorama of a Rosen Type B pigeon loft. You can see the pigeon on the wall. I expect to see this at the Nats.

And finally, Phil C. Brought in his Wingsy A5M2 Claude. A rather nice build.
